ETOBICOKE HOCKEY LEAGUE POSTPONEMENT

OPTIONS FOR RETURN/REFUND

October 19, 2020

With the announcement from our governing body, the GTHL and its decision to postpone hockey activities until at least January 4th, 2021, the Etobicoke Hockey League is offering parents 2 options regarding the House League fees and registration paid.

OPTION 1 CARRY OVER REGISTRATION UNTIL JANUARY 2021

Your registration will carry over to January 2021 which is the target date for a return. Your spot is guaranteed. We will provide ongoing updates on our website as we receive them on the status of Return to Play. If the season is cancelled, you will receive a full refund.

OPTION 2 WITHDRAWAL OF PROGRAM AND REFUND

Your registration will be cancelled and if you choose to return you must register once again. You will receive a cheque in the amount paid less \$30 administrative fee to cover Visa/debit/bank charges incurred.

You must reply via email to Tom Sandras at tsandras@rogers.com if you choose option 2. Please provide your child(ren)'s names and your complete address should you request a refund. Cheques will be issued and mailed within 3 to 4 weeks

We are hopeful for a safe Return to Play in early January 2021. The program will consist of new 'added value' events. We will provide correspondence and updates to all our families as we receive them. We are grateful for your continued support and commitment to our community hockey program.

Stay Well. Stay Safe.

Yours in Sport
